To know Tim was to love him, and I did. He was always an inspiration to me in his faith in Christ, his story telling, his love of family, and his love of flowers and all things of beauty. I loved to sit and talk to Tim, he had a way of making you feel like you were the most important person in the world. His eyes would twinkle as he talked to you and you knew he genuinely cared for you. I will miss his sense of humor. I will just miss him. My thoughts and prayers are with the family at this time. Fly high, Cuz.
