I have a wonderful memory of a birthday dinner in Berkeley with Bev and Steve. We had so much fun. All the wonderful times at Youngs singing karaoke. The time you both hosted a birthday party for Amanda at your house. Theres a zillion memories and theyre all good. He was so kind, warm, funny and genuine. A true pure human soul and one I was proud to know. Love you so and well see you again. May God shine upon you and give you peace. Lori

My favorite memory was actually recent. We brought over Levi and as I keep telling everyone it put the biggest smile on my face because uncle Steve just kept smiling so big and telling me how beautiful he was. He told me he was so happy we were there visiting so he could meet Levi. It was so special to get to share that moment with him! We love you forever uncle Steve!! I know youre up there watching over aunt bev and the babies while watching the dodgers win (as much as I want them to lose haha). I know we will see you again one day, But until then we will always miss you! Love always, Justine, Ashton, Levi, Cookie & Oreo

We didn't meet Steve and Beverly until they moved to Newport from California. They turned out to be the best neighbors you could ask for. The thing that sticks out about Steve is how very much her loved his wife. He would have done anything to make her happy. He also loved their 2 poddles Clohoe and Zoey. Everytime I was over to visit they were on his lap. Steve was a good person with a wonderful soul that worshiped God. I know he is in heaven ,free of cancer ,pain and the earth's troubles. My prayer is that my sweet friend and neighbor Beverly can find comfort and peace. She was such a wonderful, diligent ,committed caregiver. As I have said before Love never dies . Eric ,Tristen and I love you Beverly and we are here if you need us Jan

I will always remember Steve's wonderful little laugh. Somewhere between a chuckle and a giggle, it always made me smile. I will also treasure all of the game nights that we shared where Steve would eventually fall asleep at the table. Steve's love for you Bev, and his puppies was so sweet. Hus kind heart & easy going nature will be missed greatly. With deepest condolences, Jennifer Koestler
