Uncle Fred was quit a character. He took me all over and you never knew who you'd meet along the way, but you knew Uncle Fred would know them. I remember working hard in the tobacco field for him one year and he bought me a ten speed. He always made me laugh and feel safe. Heaven got another good one today. I will love and miss you Uncle Fred! Love to the whole family! Love, Sandy (Virginia's daughter), Dave and our crew
