Obituary

Scott Bigler, age 78 of Newport, went home to be in the presence of our Lord Jesus in the early morning of Wednesday, April 6, 2022.

He had a full life including his childhood he loved so much in St. Anthony not far from the the Teton Mountains in Idaho. He was in the Air Force and Navy and flew helicopters in Vietnam. He went to Boise State and became an x-ray technician. Later he learned computer programming and had his own business for 25 years creating inventory control and point of sales programs. He shared his testimony and taught on spiritual warfare from church to church. He taught adult Sunday School, helped friends start their own church and had a home group when we lived in VA. He was pastor of a church here in TN and wrote a book. He enjoyed building furniture and guitars as well as learning to play them. He enjoyed traveling to many states in the US and he sure loved our many dogs and miniature horses.

Scott is survived by his wife of almost 35 years, Linda-Sue, his sister Brenda Hamilton and brother in law, Tom Hamilton, his daughter, Monique Lake, son J Bigler, his stepchildren Steven Damon and Katie Damon, eight grandchildren - Jessica, Ersinia, Elisha, Lecresia, Aarin, Tomas, Joshua and Zak, 18 great grandchildren, 2 nephews and a niece.

He loved his life on our property surrounded by mountains that we named English Mountain Sanctuary on Kingdom Way! Now he is in God's Kingdom and enjoying more peace, joy and freedom than he ever knew here on earth.

Brown Funeral Home is honored to assist the Bigler family with cremation arrangements.

I will greatly miss you my friend. I have known Scott since I was in my early twenties and him in his early 40s. I first met him when he did some work for me. We only spoke on the phone and when we met on the job site the next day he leaned over to Linda-sue and said this is the guy I'm working for.. he said hes just a pup. Lol. Scott and I really connected on that job and we have been friends every since. And he has called me pup to this day. I will miss hearing him say HELLO PUP. I will see you again my friend. Love you dearly

To the most colorful Man I've ever known, my Dad, friend and confidant. I wouldn't be here without you. How can anyone imagine the path that was your earthly life? Only those closest to you, and even then, only our Lord. Dad, thank you for your testimony. Thank you for never giving up. Thank you for the book you wrote, which lives on in the lives it touched; the truth in that book is timeless and carried on in your children and grandchildren. (Seven keys to living by faith) by Dr. Scott Bigler. I'm so proud of you. Your testimony lives on in every life you touched. I know where I get my straight forward candor and boldness. Thank you for reaching out when I didn't. Thank you for caring enough to never give up. Thank you for talking care of Lady Sue all these years. This past year I've witnessed so many miracles on your behalf, I'm in awe of the Lord's goodness to you and Lady Sue. When I struggle here, I'll remember what the Lord has done and find hope. From the moments filled with grace to those filled with faith, I'll always look to your words of wisdom shared with me. Truly it's in His hands. I love your wit in the statement made so many times, "cheer up it's going to get worse." Haha, yes it will. They say no one gets out of this alive, I beg to differ; we are more alive on the other side than we ever were here. See you soon Dad! I wouldn't change a thing. Holding you in Grace and Mercy till that day! All my love, Mo
