Lucille was a loving mother blessed with a long life and 10 children who loved and appreciated spending time with her. She had a big heart and opened her home to her many "adopted" children. Over the years, there were challenges-losing her husband, health issues-but she faced all adversity with strength, courage and dignity. She will be sadly missed by all who knew, loved and respected her. With condolences and love to the Carver family. Barbara Whitehead Fredo

I'll just bet that Brianna is talking her head off to mom mom. I will miss you lots and love you forever. Rejoice with the rest of your family. God shall give us the strength we need.
