So sad to read of your passing in this manner. You were one of my older brothers and the second of ten siblings, yet you chose to alienate yourself from us. I never knew you had a son \r\n, and by your obituary, He didn't know your middle name was Louis and Scotty was your Knick name. So much lost, so sad. Praying you were able to find peace within yourself. \r\nYour #1 sister, Wanda

I am saddened to find out my brother passed away on January 2,2021 and none of his 8 remaining siblings were notified. Scott his nickname was a very private person but did keep in contact with his younger brother Theodore. He also was not notified. I would love to be able to bring you home brother where you belong. I know you in spirit are with Sue. May you R.I.P

Dear Larry and Cody,\r\nI am at a loss for words. Scott was my big brother, but I hadn't seen him in many years. Cards and letters I sent to him were returned to me as undeliverable, and I lost all contact with him. I didn't realize that he had a son or a grandson, and that, in itself, makes me sad. I will find my own way to deal with this sadness, but I send you prayers of healing and condolences.
