My heart was saddened to learn of my Uncle Shirl's passing. I am so sorry I am unable to be up there with everyone, but I have some wonderful memories of him to hold in my heart forever. Like the time he lived next door to daddy in Bybee. My daughter loved to teased him about his chickens being in the road and how she was going to go bump, bump. bump as she drove over his chickens and then how we were going to eat them later. LOL. I always tried to come in for decoration, to meet him up at Sand Hill. He always wanted to know if I was coming, and I wanted to know if he was coming. He always brought me something, like fresh eggs or tomatoes. I treasured getting to see him as will as everyone else that came. I will miss him greatly. My prayers for peace, understanding and comfort from my heavenly Father, to all the family and friends. To all my cousins, we have one Aunt and one Uncle still with us, treasure them. My Love to all, Joyce Ann (Click) Simpkins
