Candy, I am so very sorry for the loss of your beloved daughter Angel. I will never forget her. I was so very proud to be her first grade teacher at Edgemont and frequently kidded her that we had the same first name and that was what made us a team. I still have that Precious Moments plaque she and you made me hanging on my wall even today. If there's anything at all I can do for you, please let me know. My number is (423) 235-1188. Once again, I am so sorry. Praying for you, her little girl, and all the family.
