To the family we are really heart broken over the death of my life long friend and one of my best buddies growing up . Jimmy Arrington was the other one . Both are gone now and I am the last one left . It makes you think about where our life is ending . He was always welcome at our house now and when we were growing up . Always a funny story in everything . I rememeber when he came over and he was riding his mo-ped and he could not get stopped in time and ran up under the porch . After we ran and saw he wasn't hurt we got a good laugh especially my mother . You rest in peace my friend and I will join you and Jimmy someday
