I hate this so bad. I can remember keeping her when she was little. Her and Berlin were same age. Sad. I love you all. I can remember taking her to church when she was small too.

Randy, I just saw the obituary for Jennifer and realized who she was. I had not seen her in awhile I remember being in church with her at Newport church of God. We talked a lot back then about the Lord and our struggles. I will be praying for you and your family and those precious children. I know God loves us and His love is forever.
