I can't believe Mitchell is gone but oh how I can imagine my Papaw Gabby Hayes rejoicing with him. Mitchell called me punk just like papaw always did. And loved me just as big too. Almost all my childhood memories into adulthood have Mitchell in them . I hope he knew how much I loved him . He never left without telling me how much papaw loved me and how much he loved me. I will miss him and to his family I'm so sorry for your loss.
