Mary and Stacey we are so very sorry for your loss. You are in our thoughts and prayers. Please take comfort in the knowledge that JR can walk on streets of gold and hear the angels sing! I can remember sitting in church across the aisle from him when Stacey would sing with Mary playing piano and he would be patting his feet with his eyes closed enjoying your music and song. Your family is a blessing and is very loved by many. Please let us know if there is anything at all that William or I can do.
