Teresa and Boys, Dot, and I were on our way to Chattanooga Friday when I got a call from Jeff telling me of Larry's passing. I knew Larry had been in poor health for a long time, still, it comes as a shock to hear. Larry had been a customer and a good friend for over 40 years. All of us at the garage enjoyed kidding with Larry and talking with him when he would come by. I know he will be greatly missed by his family and all who knew him. Our prayers to the family, and may God Bless.
