I had purchased a house and lot here in Newport that was covered up in trees. A neighbor had referred Brandon to remove the trees. Brandon and his wife and a helper came one evening. It was amazing how quick and efficient the work was done. I got him back a year later to remove some tree limbs hanging over the driveway. Another year has passed and was reaching out to get him to grind some stumps for me. His wife text me, it was on Sept 11th of his passing. Me and my girlfriend were crushed to hear the news, and our hearts go out to this beautiful family! Brandon was a hard working man, whom it was easy to see loved and cared for his beautiful family. From us, RIP, our friend!
