I am very sorry for your loss. She was a great lady and will be missed. I remember all the fun times that we had together playing chinese checkers at Opals years ago and I always enjoyed visiting her at home when I did home health. I remember the clothes pin holder she made me when I was caring for her. We will always have our memories of what a special person she was and how she touched our hearts.

What a wonderful friend you were, always the same each time I saw you. There will be an empty spot in my circle of friends but you will not be forgotten. You will always be a positive force just by the way you lived your life. I am sure heaven is much brighter today because of your presence. Thank you for being the person you were.

I was very sorry to hear about your mother. I have very fond memories of her. She always made me feel welcome in your home and treated me like one of her own when I spent time with you all. She always had a smile and a kind word. She was a true "lady" in every sense of the word and she will be sorely missed.
