Oh man. We just talked about these coloring books and deep convos the other day when I was over there. You were telling me how Brenden loved him and was hurt deeply by his passing. I still cry at the thought of him being gone and I don't think a moment will come that I won't. But I'll just sit down and color a picture for him & remember the amazing times we had. He'd like that a lot.

1st time I came up on the hill. We brought ton of wood of for your mom and dad. After a few hours we made our way up to the house. Once I saw all those coloring book. We both sat the rest of the night talking bout everything and coloring all night. It was 1 of the best times Id had in a long time. U made me feel so comfortable and at ease, safe, not worried. And for me its hard to find someone that helps me in that way.. I'll always hold in to all the memories I have with u. I sure wish I had a chance to make more with u. But I'll always hold them close to my heart. Im very sad your gone and not here. But I know your in a much much better place. Love and missing u always. Your friend Amanda.
Thanks for the memories.....❤️💧❤️💧❤️💧❤️💧❤️💧
