I had a great conversation with Tyler on campus at UT in Knoxville just before this spring semester ended. All of the things you had accomplished in school were to be commended. You were such an intelligent individual. God Bless all of your family and friends. CCHS Class of 2008.

My name is Miranda. I met Tyler at Cookie and Ronnie's house and thought he was the sweetest guy there was. Though I didn't know him much, I have to say he made an impression on me. He was always laughing and making me laugh as well. He will be sorely missed by me and everyone who knew him. May GOD bless you in this trying time.

Ms. Bailey, we are so, so very sad to hear about Tyler and wish to send our most sincere sympathies. Our son, Aston was his roommate this past year, and I must tell you that Aston thought so much of Tyler. Tyler was such a great help in his studies and he was a great friend. We are so glad that we had the opportunity to meet and share laughs with Tyler. May God bless you and all of Tyler's family. Tim and Shari Thompson

I am so shocked and sadden to hear about the passing of Tyler. My son Brian was his room mate last year at UT. He helped Brain in so many ways to adjust to UT life. He especially helped him when he couldn't get around due to his car accident. When I met Tyler he was a very bright boy with plans and dreams of the future. Our prayers and thoughts go out to the family during this difficult time. He will truley be missed. \r\nDale Pace

My son, Brian Pace, was Tyler's roommate for Brian's 1st year of college at UTK, year before last. Brian said Tyler was a great help to him during my son's first year, and Brian said Tyler was a great roommate - they got along very well. I met Tyler briefly when we dropped Brian off. Having two sons of my own, please know that your family has been in my prayers.\r\nAnita Pace

Stacy,\r\nMy heart breaks for you today in your loss of Tyler. Lauren, Andrew and I shared such good times with you and Bill in Valdosta when Tyler was a baby. Daddy was so proud of how much you sold at the furniture store while all of you lived at the house with him. I have heard how smart Tyler was and am proud of his work in nuclear engineering at the University of Tennessee. God bless you! \r\nAmelia
