Being a Detroit big city girl and coming to Tenn. for our summer vacations was magical. You both hold a special place in my heart.\r\n\r\nLove,\r\nStephanie

Mrs. Joines was my 4th grade teacher at Parrottsville Elementary back in 1974. I can still remember how much she encouraged her students to achieve and strive to be their very best. It was a valuable life lesson that has stayed with me 35 years later. \r\n\r\nGod bless this family.
