David, Emily & Aaron, So sadden of this news, Sharon was a lifetime friend, classmate of Cosby High class of 1977. She was at my home a lot when we we're really small kids always someone you could talk to personally or she would say something to make you laugh. It's been a joy to share in her life for 60 years and both our birthdays in October within nine days of each other, we always talked about that when we met. I loved her dearly.
