I don't know what to say, how can you say what someone meant to you or the way they impacted your life and others. Kyle was my Uncle. He was my favorite Uncle. He was always smiling; anyone would love to have him as an Uncle. I always loved going to his and Ann's house at Christmas time. My memory is poor but I can remember sitting up late at night in the kitchen with Kyle and talking I don't remember what about it didn't matter he was always there to talk to. I didn't know how to describe it till I got older but he had a gentle soul, a very rare thing and I will surly miss him.

I'm so sorry for your loss. May the God of all comfort help you during this difficult time (2 Corinthians 1:3,4 & Psalms 83:18). Jesus prayed for God's Kingdom to come because He knew it would be able to solve all mankind's problems even death (Revelation 21:3-5).
