Daddy, I'm sorry for everything that I put you thru. No matter what happened between us, I still loved you with my whole heart. Its taken me awhile to write this, I wanted to get my thoughts together. Im sorry we let someone come inbetween us and stopped us from having the father/daughter relationship we should have had. I have never in my life seen someone so evil but now you are above watching over me and your other 2 precious grandbabies. You are seeing everything now with eyes wide open. I hurt so bad because my babies will never know how great their pappy was but I will do my very best to tell them and to always keep your memory alive. I got to visit with Uncle Kenny before he passed. He seen the woman I have become. He was so.proud of me and he loved & missed you so much. I believe he grieved himself to death over you. Now u, him, and your sister can all three have the relationship you all should have had on this earth and no one can stop or come between you all. Fly high daddy and I know you are with me and these babies everyday. I can feel u in my heart. I promise I will make you proud and do the very best I can in life. I have came so far. Its been 9 years now and Ive accomplished more in those 9 years than I have in my whole lifetime. I love you daddy. Your DAUGHTER Amanda

Bill was one of the greatest friends, customer, and brother in Christ. I'm a better man by just knowing him for the last 23 years. I will miss his encouragement, selfless, humble, kind personality as well as my golfing partner. But I know without a doubt he's in Heaven and that is the best thing he ever gave me, because I know we will meet again. He loved his wife Pat and Grandson Isaac so very much!!!

Sissy and family: I was so surprised to hear about Billy's passing. When we had spoken at the hospital, he was sick, but I didn't realize that his condition was so severe. May you find comfort in knowing that he will no longer suffer, and will be in a much better place. I am so sorry and will continue to remember you and your family in my prayers.
