I am so sorry to hear about Tristen. I can remember him from the time he was a baby and I dated Mike. I can still picture him having something on his foot and him lifting it and turning it so he could look at the bottom all the while standing perfectly straight on the other foot. I was amazed he didn't fall over, but he never wavered. Bless your family and prayers for peace in the knowledge he is free of pain and you will see him again.
