**Mark And Ashlee Waters** posted:

We will miss you Uncle Jim. I'll never forget the time after church when we came by to visit. I asked for a glass of water and of course you all had well water and it was the first time I'd ever tried it. "That's a lot better than city water right there!" you told me. I certainly didn't agree but I always smile when I think about that. We love you!
