Deidra, I am so sorry to hear about your brother. I don't know if you remember going to school with me and the time I stayed over at your house during school nights. I loved your family and you. I always think about you with warm memories. My brothers, Terry and Doug Franklin went to school with your brother and was shocked to hear about his passing. We found out too late to attend the funeral but please know that our prayers are with you and your family at this time. Tammy (Franklin)
