One of the best parts of my life was growing up right next door to you and Mr. Inman. You taught me so much and loved all four of us kids like your own. I'll never forget you and the time we shared together. Now you and "Lib" can sit under a shade tree just like old times and catch up on everything. I know she'll be so happy to see you. Love you so much!

Heartbroken with the loss of Mamaw Jo. She took care of all but one of my Grand kid. She gave them love and care that only she could. My grand kids loved her just like one of the family. She always made us feel like we were part of her family. She will be miss by everyone that she touched. I pray that the Lord puts his loving arms around all of you and keep you in his grace
