I had the pleasure of knowing Coach Reynolds while on the wrestling team at Campbell High School in Smyrna, Georgia. He taught me a lot about wrestling, which I have since forgotten. He also taught me a lot about inner strength and civic duty, which I am glad to say I have not forgotten. I will always look to Coach Reynolds as a leader and developer of young men. I know I am a better person today because of Coach. <http://brownfuneralhomenewport.com/images/icons/flag.gif>

"Coot", I hope you know how much you and Jack meant to my husband and me, and I'm so very sorry for your loss. Jack was the nicest man who treated everyone well, and always had a kind word and a smile for those he talked with. He'll be missed by many, and by our community...but most of all, by you and your family. May God give you the strength to get through, and may you feel the love of all of us who truly care about you!

I knew Coach Reynolds from CHS, and was close to him through my boyfriend (state wrestling champ, Jack Mizner, class of '70). Coach always told me I had an "ever present smile", but I reminded him I always smiled at people who smiled and were happy....he was a very special man and will be missed by hundreds. My prayers are with the family.
