I am so sorry me and Josh will not be able to attend the services tonight. I remember me and Brittany playing at daycare and all of the memories we had there. I had one of our old day care teachers contact me on FB the other night and she is now living in Oklahoma. I think this is a true testament to what a memorable, amazing person Brittany was. Lori, the daycare teacher probably hadn't saw her in many years but still remembered that vivacious smile and attitude. I thought of Brittany often and my mom saw her quiet often and she always asked how everyone was. I don't think anyone will every forget that laugh or smile that was so contagious. She was a wonderful person! My prayers are with everyone during this tragic time.
