I just learned of Tim's passing. We were friends in high school and although we lost touch he was thought of often. He was a very upbeat and outgoing person. I think he started the phrase "yeah buddy" in HS. He was always funny. He will be missed. My thoughts and prayers to his wife and children. RIP my friend! Until we meet again.... Donna

I hadn't seen him in 30 years but I cried so hard when i found out. I have many highschool pics of him in an album i created way back when. Thinking of all of you. Mary
