Your family is in my thoughts and prayers. My memories are when, as children, we got together to play with cousins. I am truly sorry for your loss and hope you will take comfort because "although it is difficult to see beyond the sorrow, may looking back in memory help comfort you tomorrow". Most of our family is unable to attend the services today, but please know that you are in our thoughts and prayers. (Jenny's children)

I am praying for the family, I long to assist them in any way I possibly can. I know the good LORD gives and he takes away and we can not understand everything he puts in our paths. I do know he loves he comforts and he has a plan that involves all of us. I know in this time there only so many words I can say and none of them will ever change the grief you feel. But be assured that in the future if you need any assistance of any kind I will be ready to help in any way possible. Mark

Susan, My heart is heavy. J.M. was one of those "forever" friends. Our lives separated us physically; however, I believe our friendship never parted. I know it hasn't been easy. You and the boys have suffered tremendously emotionally over the years, I know your strength was important for your family. God Bless you and your family as you go forward. J.M. has been a dear friend for over 30 years. He will always be in my heart. I have grieved because in so many ways, we were so alike. I have 100's of stories, but the lasting affect was the words from my mom, "I remember when he would bring me food from Hardee's at 3:00 in the morning." He did, he would walk straight in, make my mom get up from bed, and eat. He always said, "I love you mom." His smile is what I will remember. Too many stories, not enough time. Peace, Cricket

That's all we ever knew him as was "Jay" but he made a big difference in our lives for the past 20 years when he became our friend at the Rocky Top Village Inn. We have some wonderful pictures of Jay and will cherish them as we remember this special man. He will be missed by many. Again, our thoughts and prayers will be with you all in the days ahead.

Susan & family, I was shocked to hear of J.M.'s passing. I knew he was sick, having talked to him during dads sickness & death, but somehow you are never really prepared to lose a friend or family member. I have fond memories of growing up as neighbors and cousins. Please know that you are in my thoughts & prayers.
