The precious days i spent with you taking care of you, and holding your hand on your difficult days was my pleasure. You told me one night that I wouldn't see u anymore and that night I backed out of the room and kept my eyes on you and cried as we parted but mom you dried my eyes from heaven and I just want you to know that I I will see you again someday on the shores of heaven and until then I no you will be closeby, Your Loving Daughter Martha
