Growing up Chase was always like a little brother, Tara a sister and Darrell and Jackie you were like another set of parents to me. I spent a lot of time at your house in Azen and have some of the best memories being in your home growing up. I will never forget Chase's smile. He always had that grin on his face like he was up to something even when he wasn't and was one of the most caring, loving and protective person over his family and the ones he loved. He would never hesitate to give you the shirt off of his back if you needed it and seemed to always be able to make you smile when you were down. I pray for comfort during this difficult time and know that I will always love every one of you as my family. Chase will never be forgotten because he has touched so many lives and hearts over the years. If ever you need anything please let me know.

To my friend Tara, Words cannot express how sorry I am for your loss. My heart absolutely breaks for you, your momma, daddy, & especially Chase's daughter. I will never forget how ornery your baby bro could be. Or that adorable button nose that was oh so misleading as to how sweet he was! I know we have lost touch over the years, but I want you and your parents to know that I have never forgotten you guys. I was actually thinking about the times I shared with you and Chase this passed Easter Sunday as I drove by your old place on my way to church. Just know that many people are praying for all of you. Keep God close for comfort for he will provide it. I love and miss you all and will always hold a special place in my heart for the very charming and ornery button nosed Chase.
