Dear family, I am so sorry for the loss of Alonzo. I have known him all my life. His dad and my dad were childhood friends. We spent a lot of time together as kids. I will never forget all the fun we had. We laughed a lot. Alonzo was a talented musician. He could play a guitar! I like to think he is rejoicing in Heaven with his beloved mother and brother Dewey who he missed a lot. Alonzo fought his disease fiercely! It was a battle he could not win...RIP, my brother...
