Brittany, Please accept my deepest sympathy on the loss of your Mother. She was my dearest friend and a wonderful, sweet and kind person. We will all miss her dearly. God gave me a wonderful friend in your Mom. The bible says that "Blessed are they that mourn for they shall be comforted". Your Mom was so easy to talk to I believe she could talk more than me! Geraldine was so excited to be a Mamaw, she would have ruined your sweet girl. I know we would have wanted her to stay and see her grow up but God will watch over her. I pray that God will give you and all of your family the strength to carry on without her, in a little while we will see her again. I thank God for having given me this wonderful person to be my dearest friend. In Love and Faith, Judy Hensley

I remember every year near Christmas time she would make the most delicious buttetfinger cake for me. It was so delicious I didn't share with anyone not even my grandparents at the time. I will never forget her happy and loving spirit.
