So sorry for your loss, I saw her a few times, she seemed to be the type of person who make everyone comfortable, as they say "Never met a stranger ". She took great care of her husband and raised her children well. I was friends with James, Ronnie and Donnie. I think I met most of the children at some point. Thinking of the family, may God bless you. Sharon Ford Miller

Dear family, I am so sorry to hear of the passing of your wonderful Mom Juanita. I first met her when I worked for Headstart. I changed jobs and started working at RMS and Juanita became a patient there and our friendship continued and she and I shared many conversations about our children and life in general. Juanita was always available for her children. She loved each of you all very much. I know she will be missed. Very sorry I could not be present for her service due to my daughter having major surgery. Each of you are in my prayers. Praying for God to give you peace and comfort. Cherish your precious memories
