One of the memories that I know me and Tony both enjoyed was getting to go to Charlotte motor speedway and getting to drive eight laps in a real nascar. Our prayers are with the whole family.

I have 7000000 memories with you uncle bubba. I couldn't pick just one to share. From the zoo, to the fair, to the trips to Bristol, to just setting at home playing crazy taxi & eating pizza. I love you so much uncle bubba.

You gave no one a last farewell, or even said goodbye. You were gone before we knew it, and only God knows why. A million times we will miss you. A million times we will cry. If love alone could have saved you,you never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place,No one else can ever fill. It broke our hearts to lose you,but you didn't go alonebecause part of us went with you,the day God took you home. We will meet again somedayI know in a better place because in my heart you will always occupy a space!! Those special memories of you will ALWAYS bring a smile, if I could only have you back even just for a little while. We could sit and talk and laugh just like we used to do, we could even play a game and give Mom the parachute. The fact that you're no longer here will ALWAYS cause me pain but you're FOREVER in my heart until we meet again. I love you Tony....Thank you for being my Brother! 💙 R. I. P. see you on the flip side.
