Doris Jean was a friend of mine for over 30 years. It was a long distance friendship. I live in CA. We spent nearly a month as roommates in a hospital in NYC. Doris was a true Christian, reading her Bible every afternoon. I was able to witness a miracle when she was able to walk after the surgery we both had. We remained pen pals after we both of us returned home. I always hoped we would see one another again but God called her home. I will miss her and pray for her family. Love you always, Linda Longfield Rest in peace.

Doris was such a blessing to everyone at the nursing home. She always sang with us when me and my sister played the piano for our Mom. We will surely miss her but we know she is resting in the arms of God

It was an honor to take care of Doris for many years. She was my Sister Girl. We prayed together often, laughed together and cried with each other. She was beautiful inside and out. I will miss her immensely, but I am so happy for her that she is finally healed.
