I only had the pleasure of knowing Bo for a few a few short months; my Grandmother became one of her roommates at the Nursing Home. Bo's reputation as the "Guardian Angel" is the reason I chose that room for my Grandma, and Bo lived up to her name! She kept me informed of a lot of things, and I became very, very fond of her. Her passing is quite a shock, and I am sending lots of Love and Prayers to her family, and also to the staff at the Nursing Home, who loved her so much. Rest in Peace with God Beautiful Guarian Angel, Bo.

To her family...My Mom, Barbara Jean Mantooth, was in the room with Bo when she was admitted to the nursing home. I want you all to know that she was the kindest and most caring to our Mom and everyone else. We all loved her as if she was our own family. We sure will miss her. I have many colorings she gave me that I will forever cherish. RIP our beautiful Bo
