Tommy and Family, I just noted that your Mom just passed away. You may not remember me, but I delivered the newspaper to your family on Lincoln Avenue many years ago. Your Mom was one of my favorite people and was always so sweet and pleasant to me., and I remember last seeing her when she visited the funeral home when my mother died in 2008. I recall commenting to her that she hadn't changed in all the years that had passed since my newspaper delivery days. I know you will miss her, and may her memory always be a blessing.
