Kevin Lewallen lit a candle in honor of Andrea.

I knew Andrea a long time ago as a manager for Little Caesars of Euclid Avenue Bristol, VA. She was a very nice manager and woman and loved by all. I'll never forget when I was working as a sign waver and a car lost control and swerved from one lane into another lane and came up where I was standing and missed hitting me by 2 feet. She was the one that came up there and stood with me for an hour talking about what happened and to cops which showed how much she cared. I'm upset she's gone. She's in God's hands now. Sorry for the families and friends loss.
