Mom this week marks the final week you were here on earth. Was unable to speak with you when you had your communion and family said their goodbye. I wasn't strong enough for you not knowing if you would remember me or would understand what I was saying. Not a day has gone by that I thought of you being here every day. Until I see you and all our family, I LOVE ❤️ YOU.

I would like to thank everyone that was around my mother in her final months. Having been disabled it was difficult for me to travel back from Spokane WA. I love hearing stories from people about how mom touched so many lives. She ended her life here on earth the same way she lived her life. That was caring for her family and her extended church family assisting where she could and making sure my sister and I were taken care of and loved whole growing up. Letting us to explore our different worlds whether that was church camp in the YMCA or High School Clubs. Rest in Eternal Peace Mom and Welcome Home Back with Dad after all these years. Your Loving Son David

When Edna came back to Ohio to visit relatives she was always at church at St Paul's Community Church in Mineral City, Ohio with her sister Maxine. I will always remember her smile and her warm and welcoming personality. May God bless the family as they go through this time of sorrow. Thank God for the memories of Edna.

How sad to say goodbye to our sweet friend Edna. She was such a delightful addition to our Sunday School class at FUMC and an absolute joy to work with during our bizarre with her sweet smile and happy demeanor. Our sympathy to all, especially her friends Nancy, Judy, and Phyllis in SS. We loved Edna.
