Roger, Lynn, Maurice and family, I am so sorry for your loss. I met Lillian several years back and we became fast friends, she loved me as if I was her own and I love her and Roger both. I still have several messages from her on my phone from years past and she never failed to tell me she loved me. I hope that God will comfort your heart with knowing you will see her again and that she isn't suffering anymore. What a reunion she has had with Denise and countless others. You are in my thoughts and my prayers. John 14:1-3

Lynn, Maurice, Debbie and family I loved your mother as I love your dad. They are good down to earth people. I know the pain and emptiness of losing your mom but there is also relief and bittersweet joy in knowing she is no longer in pain and she is in Heaven rejoicing and praising the Lord for eternal life
