Mrs. Betty R. Jones
07/26/1933-02/06/2024

Mrs. Betty Ray Jones passed away Tuesday, February 6, 2024 peacefully at her home in Parrottsville.

Betty was born July 26, 1933 in Sikeston, MO. Her father, Lawrence Ray, served as a Southern Baptist pastor for over 60 years. Betty faced a challenge early in her life with Rheumatic Fever. She is a breast and thyroid cancer survivor. Upon graduating high school, she ventured to St. Louis where she worked as a civilian employee of the Air Force. She later moved to Memphis, TN where she worked as a secretary. There, she met the love of her life, Bill Jones. They were married December 28th, 1956. In 1959, they welcomed their only child, Larry. When Larry began school, she attended Memphis State University, where she graduated with a Bachelor of Science degree in Education. She taught several years in the Shelby County school system. In 1972, the family moved to Newport. She served as the Librarian and taught Sociology and Psychology at Cosby School. Upon her retirement, she began working at the Cocke County Schools Central Office where she helped other schools in the county modernize their libraries.

Betty has always had a heart for children and for helping others. She has served as a Scout mother, Sunday School teacher, Vacation Bible School director, and any other place she could use her indefatigable energy to help others. She was the co-teacher for her Sunday School class until December 2023, when her illness prevented her from attendance. She served as the church clerk at First Baptist Church, Newport for many years. She was also the Cocke County coordinator for Dolly Parton's Imagination Library. She was the treasurer of the Cocke County Retired Teacher's Association. She was also on the Stokely Memorial Library Board. She volunteered at Smoky Mountain Home Health and Hospice where she worked until one month

So saddened to hear of Mrs. Jones passing. While I didn't know her personally, I know that her legacy will live on through the thousands of children that received Imagination Library books and learned to love reading thanks to Mrs. Jones and her work with the Imagination Library program in Cocke County. Sending thoughts and prayers for her family.

I came to know Betty in 1973 when I started teaching at Cosby. She was a tremendous help to the greenhorn and we became friends. When she and Bill began looking for a home to rent, I was able to connect them with Joe and Mary Hurst who had a vacant brick home near City Park. Over the years we worked together in several organizations, including the Music Club, Stokely Library, and Cocke County Retired Teachers. She was truly a worker bee. I think her most lasting legacy will be the hundreds of children who have received and will receive books through the Imagination Library. The world is indeed a better place because of Betty Jones.
