We would like to send our thoughts and prayers to the family at this time of sorrow. Aunt Cora Mae was a sweet person and always had a smile on her face. Over the years our phone calls were few, but when we did speak we talked about all the times listening to Uncle Pete and the boys playing their instruments and Aunt Cora Mae singing. We wanted you to know that your Mom is no longer in pain and is with all the loved ones that have gone before her. She leaves behind a legacy of love, laughter and cherished memories. So sorry for your loss and we love you all.
