To Sharlene's Family, I am so sorry for your loss. I worked with Sharlene many years ago in the City Records Office. She was destined to be a nurse, she was such a caring person. I am a better person for just the time I got to spend with her. She was always patient and kind. I saw her very few times thru the years, but she always gave me a hug. I hope time will heal and you all have loving and cherished memories. Jill Gorrell Foster
