I worked for Sandford at the Family Inn's and he always treated me good. He kept his word to me if he promised to do something for me. I started in Rocky Mount NC, then when a big turnover happened at Roland NC and got that one back on its feet. Then he brought me to Newport which I loved since I am originally from Sevier County. I then went to Knoxville and that is where my days ended, but they were fond memories. He and mr Frost were very good boses. Living in Newport now, I wish I had know he was still around. He will be missed. Prayers for all family and friends.
