My beautiful maw, you were a one of kind person, the best person, I never met someone of such faith, kindness, and love. You were the strongest person ive ever known. I will miss you until we meet again. I know you're up there reunited with all your brothers and sister and mom and dad having a good ole time. Thank you for so many memories I'll take with me wherever I go.

Oh Bonnie the time we had that day. The laughs we shared. I know you're probably gonna whoop me for posting these. But that's a risk I was willing to take. You will be truly missed. Thank you for our conversations and your friendship. Praying for the family.
